## LORD NELSON

### DIMENSIONS:

Length overall (including bowsprit)	55m
Beam	9m
Draft	4.12m
Masthead height	31m
Sail Area (18 sails)	1024m <sup>2</sup>

The first tall ship in the world designed and built to accommodate mixed ability crew.

## TENACIOUS

### DIMENSIONS:

Length overall (including bowsprit)	65m
Beam	10.6m
Draft	4.6m
Masthead height	37.6m
Sail Area (21 sails)	1200m <sup>2</sup>

Launched in 2000 she was the largest wooden tall ship to be built in the UK for over 100 years.

# The JST Experience

**The Jubilee Sailing Trust (JST) is a registered charity that promotes the integration of people of all physical abilities. We do this through the challenge of tall ship sailing on board two very special ships, *Lord Nelson* and *Tenacious*. A voyage with the JST can be a life-changing experience where adventure, challenge and friendships come together.**

## Two amazing tall ships

*Lord Nelson* and *Tenacious* are the only two ships of their kind in the world that have been designed and built to enable people of all physical abilities to sail side by side on equal terms. Facilities on board include flat, wide decks for ease of movement around the ship, wheelchair lifts between deck levels, a hearing loop, a speaking compass and hydraulic power-assisted steering to enable people with limited strength or mobility to helm the ship with ease.

## The watch system

Everyone is assigned to one of four 'watches'. A watch is the nautical term for your team on board. Each watch is 'on duty' for a period of time every day or night, taking responsibility for many aspects of sailing the ship. Your watch will be guided by a Watchleader, who is an experienced member of the JST Voyage Crew.

## Doctors

A Medical Purser, who is a qualified nurse, sails as a member of our Permanent Crew and we also aim to have a Doctor on each voyage. If you are GMC registered and are willing to support the Medical Purser during your voyage if required, please contact us for more information.

## The buddy system

On board we operate a buddy system which pairs able-bodied and physically disabled people together. Everyone is there to help one another and share the experience so the buddy system works both ways. You'll get the chance to share skills and life experiences and, as many of our Voyage Crew have found, make friendships that can last a lifetime.

## Accommodation

There are eight cabins on board each ship for wheelchair users and their buddies. The remaining accommodation is provided by spacious fixed bunks. Each ship has heating, hot showers and points for electric toothbrushes, shavers and hair dryers. There is a large mess area where freshly prepared meals are served and a bar where you can relax and enjoy a drink after a day's sailing.

**Crew information:** The Permanent Crew consists of four Deck Officers, two Engineers, a Medical Purser and a Cook. The Voyage Crew usually consists of 38-40 people including up to eight Wheelchair Users, four Watchleaders and, where possible, a Doctor.

# Your Tall Ship Adventure

*// I've had an amazing voyage and have so many memories that will stay with me forever. Thanks to the crew who made my voyage so pleasant! I recommend sailing with the JST to anyone who wants to have an adventure, meet amazing people, learn about tall ships and have a truly fantastic time!*

*// Helena LN701*

## Which one will you choose...

**Welcome to the JST Summer 2012 Voyage Programme. In these pages you will find an enticing array of opportunities. Whether you are a complete novice, an experienced sailor or have sailed many times before with the JST, we have something for everyone. Turn the page to see which adventure is for you...**

### Life on board

Our ships are fully accessible and can accommodate wheelchair users and people of all physical abilities and ages from 16 years on voyages and 12 years on day sails. There is no upper age limit. Each voyage takes up to 40 Voyage Crew, 50% of whom may be physically disabled; the rest are able-bodied. There are no passengers on board *Lord Nelson* and *Tenacious*; everyone sails as a member of the crew. Don't worry if you've never sailed before as no experience is necessary and you will undertake tasks to suit your individual strengths.

Whether sail handling, on galley duty or during 'happy hour' (cleaning the ship), the Permanent Crew will make sure you have the experience of a lifetime. Many jobs require teamwork, with everyone working together to the best of their ability.

### Safety

The safety of everyone is top priority and so each activity is conducted at a pace comfortable for all. Going aloft (climbing the rigging) is optional, although many Voyage Crew find this the most thrilling aspect of their tall ship adventure.

\* **TSR**: The Tall Ships Races 2012: Voyage Crew will spend time in port during Tall Ship festivals at both the beginning and the end of each voyage. This may be up to three days in total. The Tall Ships Races are an annual event in European waters where a spectacular collection of sailing vessels gather for several weeks of exciting racing and festivals. Each Host Port organises a programme of social, sports and cultural events, a crew parade through the streets and other activities which enable the participating crews from more than 30 countries to meet and visit each other's ships. The Races are very popular with spectators and regularly attract up to a million visitors in each Host Port.

The JST regrets that for safety reasons we are unable to accommodate wheelchair users weighing more than 16 stone on board *Lord Nelson* or *Tenacious*. Please note wheelchairs should not exceed the maximum 66.5cm width on board and must be manual.

## Where we sail

Due to the nature of our ships, our voyages are dependent on weather conditions and so do not have a fixed itinerary. Regardless of where your voyage starts and ends, the ships may visit foreign ports along the way and Voyage Crew are required to carry a passport (valid for at least six months after the date of your voyage) while sailing, unless otherwise stated.

Southampton	Thu 17-May-12	Sun 27-May-12	11
Southampton	Mon 16-Jul-12	Fri 20-Jul-12	5

Routine maintenance is carried out on both ships throughout the year both abroad and in the UK. For more information please call 023 8044 9138 or email [operations@jst.org.uk](mailto:operations@jst.org.uk).

## Day sailing

Get a taste of life at sea on one of our day sails. In just one day you can experience some of the aspects that make sailing with the JST a unique adventure. Try your hand at helming the ship and setting the sails and enjoy our freshly cooked food straight from the galley. Children from as young as 12 can join us for a day sail, making it a great day out for families.

# How to book

## Complete a booking form

Please book via our secure online form at [www.jst.org.uk](http://www.jst.org.uk). Choose a voyage or day sail from the 'Book your Voyage' page of our website, click on the 'Book' link and this will take you through the booking process. If you do not have internet access, please use the form on the opposite page and post it to the address below.

## Payment

After you have submitted your booking form, you will be contacted with a request for a 25% deposit of your voyage fee or full payment for a day sail\*. We do not currently offer the facility to pay online. To pay, please call the office with a debit card or credit card\*\* or send a cheque made payable to Jubilee Sailing Trust. Your place will not be confirmed until we have received your deposit. You will receive an invoice for the balance of your berth fee 12 weeks before the start of your voyage.

\* Please read cancellation clause in the Terms & Conditions opposite.

\*\* Please note credit cards are subject to an additional charge.

## Transport to and from the ship

You will need to arrange your own transport to both your departure and arrival ports, as this is not included in the cost of the voyage. Please do not make any travel arrangements including flights until you have written confirmation from us of your booking.

For useful information and for linking up with fellow voyage crew travelling to and from the ships, please go to the Voyage Crew Forum via the Contact Us/Forum tabs on our website.

## TERMS AND CONDITIONS

Please ensure you read all the following information before completing your booking form.

1. The JST's tall ship voyages are for crews of mixed abilities, both in sailing experience and degree of physical and sensory ability. The permanent crew includes a Medical Purser (RGN). Amongst the 40 people on each voyage there will usually be a doctor, as well as four men or women with the necessary experience to act as watch leaders. The Medical Purser will help and support voyage crew to the best of their ability. However, it is imperative that any medical condition can be managed by the individual themselves and they should not rely on sophisticated medical capability during the voyage even though, amongst the 40 crew, there may possibly be a doctor on board. However, please remember they will be on holiday too. Whilst we will do our best if an accident or an illness occurs, the treatment available will not be the same as if you were ashore in the UK with access to your GP or local hospital. The JST's philosophy is that everyone has a part to play in sailing and working the ships to the best of their ability, on a 50/50 physically disabled/able-bodied basis. During some 30 years of operation the JST has taken over 36,000 people to sea. We have vast experience of working with people with physical and sensory disabilities.

**As the weather can be unpredictable we will need you to be absolutely open about any problems you may have. We have great experience of a wide range of disabilities and we are keen to accept everyone but if you are to get the most out of this experience, we must be able to plan for all eventualities whilst at sea.**

2. We can provide details of insurance brokers on request. **Your insurance MUST cover you for "tall ships sailing outside of coastal waters"**. You MUST supply the JST with your insurance policy number prior to sailing. It is recommended that you arrange insurance cover at the time of booking. In the event that you have to cancel prior to sailing then you will need to claim any monies paid to the JST through your insurance.

3. Every disabled crew member will be allocated a 'buddy'.

4. Severely physically disabled crew, crew with learning disabilities and those needing personal care, are required to bring an able-bodied friend (buddy) with them. The buddy should have experience of helping cope with their particular needs. An on board assessment may be required for some crew prior to acceptance for a voyage.

5. The JST regrets that for safety reasons we are unable to accommodate voyage crew with significant learning disabilities, or wheelchair or occasional wheelchair users weighing more than 16 stone on board LORD NELSON or TENACIOUS. Please note wheelchairs should not exceed the maximum 66.5cm width on board and MUST be manual.

6. For the purposes of sailing on board LORD NELSON and TENACIOUS, please note that epilepsy and diabetes are considered to be physical disabilities. When completing your medical declaration, you must include any significant medical condition occurring anytime during your past, as well as any current medical condition/illness. Having submitted your medical form to the JST office, any subsequent changes in medical condition or medication must be advised as soon as possible. Any pertinent medical information not declared prior to sailing could result in the JST cancelling your voyage with no recourse for refund or compensation.

7. For operational reasons we have a lower age limit of 16. There is no upper age limit but for insurance purposes people over the age of 70 need to complete and return a JST medical form prior to sailing. Crew members over 70 may not be buddied with a disabled crew member.

8. Conditions on the longer routes can be arduous. The JST recommends that applicants with little sailing experience take this into consideration when applying and we reserve the right to refuse applications on this basis.

9. You will require a full passport that is valid for 6 months after the end of the voyage and you will be responsible for all necessary visas and other travel documents. All crew are advised to consult their doctors for any foreign health requirements.

10. Until you have received written confirmation of your acceptance from us on one of our voyages, please DO NOT book any travel to and from the ships. We cannot be held responsible for any loss of travel expenses in the event that you are unable to sail with us; for whatever reason. Please ensure that your insurance will cover you in this eventuality.

11. Assisted and bursary funding is provided on an individual basis but will only be applied once per person and applied against the higher berth rate.

## BOOKING CONDITIONS

### The Voyage

12. Joining instructions will be forwarded three to four weeks prior to each voyage and will give date, time and place for joining the vessel.

13. **Fuel Surcharges:** We do not always pass on the rising, essential cost of fuelling our ships. However you must be aware that a fuel supplement may be charged by the Trust to offset such costs.

14. Voyage crew shall not bring on board the ships any goods or articles of an inflammable or dangerous nature, nor any controlled or prohibited substance, nor any animals. The Master (or any officer delegated for the purpose) shall be entitled at all times to search a voyage crew member, and/or their personal luggage and goods if the Master reasonably believes they may be in breach of this clause. Since the introduction of the International Ship and Port Facility Security Code (The ISPS Code) in July 2004, you may be requested to produce photo ID or be subject to searches as per the individual port security plan. The JST works closely with the ports on security matters but has no control over any additional security measures that may be required.

15. The fee paid covers berth and food on board, but the voyage price does not include travel to or from terminal ports or Departure Tax.

16. The applicant will be a member of the voyage crew and will sign on as such under current statutory regulations.

17. **The booking is subject to the following conditions:**

(i) Crew members must be free of contact with known infectious diseases within one calendar month prior to the voyage.

(ii) Any crew member who is under treatment requiring drugs must present the Medical Purser with a certificate signed by his/her doctor stating the condition and the drugs being used, unless already declared on the confidential medical form submitted to the office.

(iii) Crew members will be expected to carry out the duties assigned to them by the Master or Officers, who shall have a due regard for any disability that crew members may have and their sailing experience.

(iv) The crew member, or if under 18 his/her parents or guardian, undertakes not to hold the Master or Officers of either vessel legally responsible for any accident or misadventure that may occur during or as a result of the voyage, or for the vessel not fulfilling the programme due to adverse weather conditions or breakdown.

(v) The JST reserves the right to refuse any applicant considered unsuitable without giving an explanation.

(vi) As a charity the JST cannot guarantee that the voyage price will not be subject to a subsequent fuel surcharge. We will however, endeavour to administer this in a fair and just manner.

(vii) All voyage fees are held in a JST account prior to the voyage date.

(viii) Voyage fees are due for payment 12 weeks prior to the departure date.

(ix) Any unresolved dispute shall be subject to the jurisdiction of the English courts whose decision shall be final and binding on all parties. The Athens Convention limiting a carrier's liability for death or personal injury or loss of or damage to luggage shall be deemed to apply to voyage crew. With regard to loss of or damage to luggage, the Convention applies time limits.

(x) English is the working language on board JST vessels. For safety reasons all crew members must have a working knowledge of the English Language. The Master of the ship reserves the right to refuse passage to anyone considered not to have adequate language skills.

## CANCELLATION

18. If having booked, the crew member is unable to take part in the voyage for any reason whatsoever, he/she shall ensure that the JST is notified at once and must ensure cancellation is confirmed in writing. The following provisions will apply in the event of voyage crew cancelling their booking:

Period before departure, within which written notice is received by JST Ltd.	Cancellation Charge
84 days or more	Loss of deposit
42 - 83 days	Voyage crew member is liable for 50% of total voyage cost
41 days or less	Voyage crew member is liable for total voyage cost

**Please note, for day sails the full payment is required on booking and is non-refundable in the event of cancellation by either party. Please ensure you have adequate travel insurance to cover such eventualities. All of our events are weather dependent.**

N.B. Voyage crew should refer to their insurance provisions to establish whether cancellation fees are covered.

19. Any change in voyage choice made at the request of voyage crew will incur an administration charge of £50 per person/berth and will be subject to availability, 84 days or more before departure. Thereafter the above terms apply.

20. The JST may cancel a voyage up to two weeks before its departure date, if bookings are less than 50%. If cancellation is by the JST, either an alternative JST voyage or a full refund of the berth fee will be offered, but the JST shall not be liable for any other sum by way of compensation.

21. During your voyage you may wish to book an excursion or activity provided by a local operator. Please note that your contract will be with the supplier and we accept no responsibility for their actions or omissions, but we will try to offer assistance to a client in difficulty.

## DEFINITIONS

22. The term "JST" as used means the Jubilee Sailing Trust (Registered Charity No. 277810) and its subsidiary Jubilee Sailing Trust Limited (Registered Charity No. 286487) and the Jubilee Sailing Trust (TENACIOUS) Limited (Registered Charity Number 1081658), through which most company JST business is transacted, including these voyages.

The Jubilee Sailing Trust will hold all information, supplied to us in connection with your booking, in accordance with the Data Protection Acts 1984 and 1998. Your information will be used in conjunction with your booking and for marketing purposes. By signing this form you are agreeing to the JST processing personal data including sensitive medical data for the purpose of the voyage.

## Your Information

This is the information that refers to you, such as your name, contact details, and disability. Your information is collected when you request information from us, contact us (and vice versa) or make a booking with us. We will update your information whenever we get the opportunity to keep it current, accurate and complete.

## Our Use of Your Information

We may disclose your information to service providers for the purpose of providing you with a service, including transfers. Only information necessary for this purpose will be disclosed to them. For overseas travel, it may be a mandatory requirement imposed on us by governments at the point(s) of departure and/or destination to disclose your information for security and anti-terrorism purposes, or any other purposes which they determine appropriate. We may also disclose your information to companies who act as "data processors" on our behalf. These purposes include administration, providing services, contacting you where necessary, security and crime prevention/detection. Some of your information may be considered "sensitive personal data" under the Data Protection Act 1998. (For example, information relating to health.) We collect this information to enable us to best cater for your needs or act in your interest. If you do not agree to Our Use of Your Information above, we cannot do business with you or accept your booking.

## Direct Marketing Material

We may from time to time contact you by post or email with information on offers of goods and services, brochures, new products, forthcoming events or competitions. You may indicate your preference to receive our direct marketing material by e-mail. JST does not rent its lists of names and addresses to anyone. If you are on the JST mailing list, but no longer wish to receive future news from the JST please write to the Jubilee Sailing Trust, 12 Hazel Road, Woolston, Southampton SO19 7GA, or you can email [info@jst.org.uk](mailto:info@jst.org.uk).

Information in this brochure is subject to alteration with or without notification. September 2011.

# Why sail with the Jubilee Sailing Trust?

**We love what we do and are very proud of what we achieve every year, as we continue to change lives. Sailing with the JST is a truly unique opportunity, one that enlightens, challenges, rewards and enriches and one that really does provide a life-changing experience.**

**//** *An amazing and unique experience that will stay with me forever. The Permanent Crew and volunteers were brilliant, they were so friendly and fun that I was immediately made to feel welcome and I cannot recommend them highly enough... Going aloft was incredible! I felt such a sense of achievement after helping to furl the sails in Force 6 winds! My adventure with the JST was fantastic and I can't wait to come back for another!*

*Emma, TNS301*

**//** *This was a fantastic trip, the best so far. This was in a large part due to the Permanent Crew, especially the Captain who ensured we sailed as much as possible. This kept us all very busy and ensured a great atmosphere. I look forward to the next trip. It was also my first trip buddying someone which made quite an impression on me.*
